Huh?

What
do you
mean?

You sure are
evil,
Michele-
sempai.

I don't
know if
even I
could do it at
that level.

I'm
talking
about the
difficulty settings
for the simulator.

But to
think that
you would
under-
stand, you
little
bastard.

Crushing
his over-
confidence
is good
anyway.

It's because
he'd easily
clear the
normal dif-
ficulty.

Ugh!

25 extra laps!

Hey! No cell phone in the middle of training!

Thh-thing I'm good at?

Listen to this! I passed the preliminaries in the Miss Macross pageant!!!

I just wanted to try it out, but I'm glad I applied!

Damn it!

Dear Alto-kun

P a s s e d !

It's thanks to you that I understand that.

And the actual pageant is this Sunday.

I'd really like you to come.

Anyway, I'm going to do my best.

Anyway,
I'm
going
to do my
best.

●エレン・リー●マカオの元パイロット

I'm not talking about that.

Well, you can see for yourself.

●シェリル・ノーム●艦隊を率いるトップパイロット。艦隊の総司令。

I see... then it's about time for that.

that he hasn't put in anything else before.

His skills are good and he's putting effort into it.

●ランカ・リー●中隊隊長(艦隊)のパイロット。戦手に優れた天才の若手。

Let the newbie know.

The final test will be this Sunday.

That's when the Miss Macross...

Sund...?

The special
judge for
today's Miss
Macross,
Sheryl Name
will--

Hmm?
So she is?

Um...no,
I just came
with
someone.

It sounds like
I'm from the
entertainment
department!

Hello!

if it isn't
Nanase
from the
arts
department,
are you participating
as well?

My.

Do-don't
worry!
Size
doesn't
matter!

I I
think I
really don't
belong
here...

You
should
just be
true to
yourself!

Well,
do your best.

Captain
Klan Klan
of the
Pixie
squadron

A large, imposing figure with long, flowing white hair and a black visor. She wears a dark, form-fitting bodysuit with white accents and a large white cape. She stands in a stone corridor, with a small figure of a person visible in the distance at her feet.

Zen...

Zentradi.

A close-up of a young man with long, dark hair and a surprised expression. He is wearing a dark jacket with a white collar.

Miclone.

I won't
go
easy.

Come with
everything
you have.

Hmph..

don't
worry. I'll
finish this
off
quickly.

A direct hit to Alto's cockpit
or a hit to Klan's unit will be
considered destruction of the
respective units.

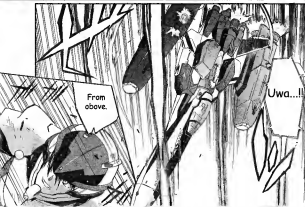

The mock battle
between Captain
Klan Klan and
Second Lieuten-
ant Alto will now
commence.

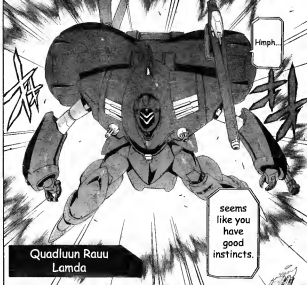

No
comment.

Please be
careful!
Isn't that
right,
Michele-
sempai?

Alto-
sempoi,
Captain Klan
is
extremely
skilled!

Hmph...

seems
like you
have
good
instincts.

Quadluun Rauu
Lamda

Otherwise
there would be
no point to
battle!

Damn...
where
did she
go!

This unit
should
have
much better
performance
than hers...

It's because
you're relying
on that fact--

Your flank is open!

Ugh!!

Damn.

What's wrong!

You won't win if all you do is run away!

You won't
hit if all
you do is
aim at me!

I can't get
caught up
here.

pool

and get
to where
she is...

I have
hurry
up

It isn't
just me
fighting
right now,

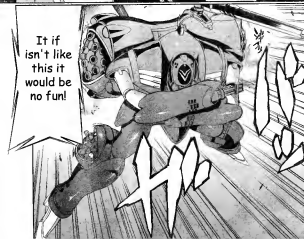

she
is
too.

She's also
fighting
her
hardest to
grasp her
dream.

That's

why--

I have
to--

Hmph... he
shouldn't
be able to
move for
a while...

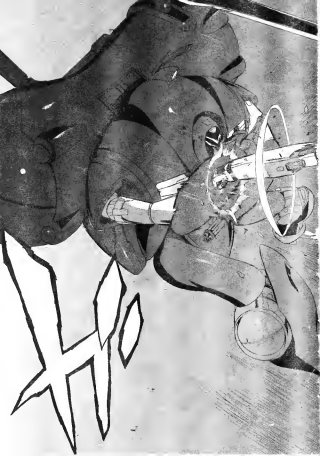

That
-s
why

I
defi-
nitely
—

Can't
lose!

Kya aaaa!

What!!

induction-
tion into
SMS!

Cheers
to
Alto's

Well
then
...

This sucks, he
got in so
quickly.

Now Alto-
sempoi

will be
with us
even of
work.

Hmm...?

I can't
overlook
that...

There
were even
point
marks left
on it

But it was
really
awesome, he
got in a hit on
Captain Klan's
Quadron.

Well, I got
to see
Klan's
crying
face--

But he
sure got
shot up a
lot in
exchange.

Who...?
What did you
say! Just
because
you're a
little taller
than me--

It's
because
you have
clumsy
genes,
isn't that
right Klan?

Fix that
part of
yourself
Michele!

What?
Why do I
have to--

Alto,
save me!

She jumped?

Don't...
mess
with
me--

Today
I will
have
my
ven-
geance!
